

*From ALEXANDER ANDERSON, M.A., Headmaster.*

CAM'NETHAN STREET,  
PUBLIC SCHOOL,  
STONEHOUSE, 27th February, 1906.

I have much pleasure in testifying to the high opinion I have formed of the qualifications and character of ROBERT LEGGATE.

He was under my charge as a Pupil Teacher in Cam'nethan Street Public School, Stonehouse, for four years, and during that period he fulfilled all his duties to my entire satisfaction.

He was unfailingly punctual in his work, well prepared with his lessons, and a thoroughly good student.

He had considerable experience in teaching both in the Junior and the Senior Divisions of the School, and he showed himself an excellent Teacher, securing good results and maintaining discipline in a quiet and effective manner. I have the utmost confidence in recommending him, and look forward with interest to his future career.

(Signed) ALEXANDER ANDERSON.
